The Resurrection in Acts ...

The book of Acts records how the earliest Christians lived in the power of the Resurrection. They met with the Risen Jesus, they experienced his resurrection power and they began to do the things that he had been doing whilst he lived on the earth. This series will help us to examine some of the accounts of life in the early Church and to apply their experience to our own. What can we learn about living the Resurrection life in Ealing in 2010?

Being Church...

After Pentecost we will be looking at some themes which remind us of what we are called to as a Church. At the heart of this series will be our Confirmation Service when we celebrate in public the faith of those who are being confirmed. We then think of how God calls us to respond to Him in different ways.
