

10am Morning Worship at St Stephen's

Our key verse for 2012 is on the front of this card. It speaks to us about our need to be people who are so full of the goodness of Jesus that we share it naturally with those around us.

This will be our theme for teaching in the first half of 2012. We will be focusing on the three key areas of our Christian lives – Worship, Discipleship and Evangelism, (the 'Up, In and Out' of church life). These will help to build us up and encourage us in our Christian lives and help us to be better disciples.

We will fit the themes around the church seasons so that we focus on evangelism in Epiphany (when Jesus was revealed to the gentiles), discipleship in Lent (when we consider acts of self-discipline) and worship in Easter (when we focus on the Risen Jesus and His Spirit).

The sermons will be on our website so that you can listen again, or for the first time if you miss a Sunday.
