

# New Wine Discipleship Year Intern

St Stephen's is a growing, Anglican church in Ealing, West London and part of the New Wine network. We are partners in establishing The Grove, a new Missional Community on an estate within the Parish. We are looking for an Intern who will be based across St Stephen's Church and also The Grove. Specific roles will include helping with our youth and/or children's work at St Stephen's and working with The Grove.

You will work normally Sunday to Thursday including the Discipleship Year training at St Paul's Ealing on a Tuesday. Your regular days off will be Friday and most Saturdays except when there are special events or activities.

## St Stephen's Church (incl Sunday)

You will be part of the Youth or Children's Teams at our main Sunday Services. You will also co-lead a mid-week youth group and help mentor young people in their walk with God. You may also be a part of other church based ministries (worship bands, Alpha, mid-week projects etc.) according to your particular skill set.

## The Grove

You will have a heart for poorer communities and a pioneering spirit. You will be able to adapt to new and different situations. You will work closely with the team leader (Mark Tate) and undertake a mix of building key relationships in the community, starting and running new projects and be part of a team of people that seek to be the salt and light to the estate. Administrative skills would be very helpful too!

A weekly living allowance and housing will be provided.

Further details from [Steve Newbold](#) (Vicar)
