## Personal Reflections

### JUNE ECO TIP

Show your care for God's Earth when selecting who to vote for in the coming election.

- Ask candidates to commit to the UK's Climate Change Act
- Ask them to set out plans to meet UK's Paris Agreement obligations
- Ask them to commit to producing a clear plan on how UK will reduce carbon emissions and drive clean growth.
- Ask if they will make sure UK keeps giving 0.7% to overseas aid.
